

Hanoi, December 2025

**FIRST CALL FOR PAPERS**  
**INTERNATIONAL CONFERENCE: "LINGUISTICS IN THE NEW ERA:  
IDENTITY - INTEGRATION AND THE ROLE OF ARTIFICIAL INTELLIGENCE"**  
**Year 2026**

Phenikaa University is hosting the International Conference "*Linguistics in the New Era: Identity - Integration and the Role of Artificial Intelligence*"-2026 in collaboration with the Vietnam Linguistics Association and the Hanoi Linguistics Association .

**1. Purpose of The International conference:** The conference aims to examine the interrelationship between linguistic identity and linguistic integration in the contemporary context, as well as to explore the role of artificial intelligence (AI) in linguistic research, language education, translation studies, and other language-related domains. The research findings are expected to contribute to the preservation, development, and modernization of national languages; the safeguarding and promotion of ethnic minority languages; the enhancement of scientific research capacity; and the training and professional development of lecturers and researchers. In addition, the conference seeks to strengthen domestic and international cooperation in linguistic research and education.

**2. Conference Topics:** The conference welcomes submissions related to, but not limited to, the following themes:

- Linguistic identity in the New era: preservation, promotion and dissemination
- Linguistic integration: reception and selection
- Artificial intelligence in research, teaching, translation and language-related activities: role and application
- English as a second language: orientation and emerging issues
- New issues in linguistics and research on specific languages.

**3. Time and Venue:**

- Time (tentative): From 07.00 to 17.00, Saturday, October 31, 2026.
- Venue: Hall and meeting rooms, 2nd floor, A9-A10 buildings, Phenikaa University, Duong Noi Ward, Hanoi City.

**4. Working languages and Format**

- Working languages: Vietnamese, English, and other languages such as Chinese, Japanese, Korean, French.
- Format: offline & online.

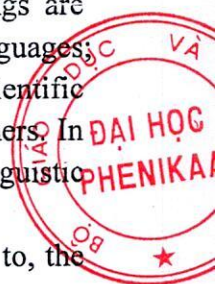

**5. Submission guidelines**

**5.1. Requirements for paper submission**

All papers submitted should report original research results which were not previously published in any books, journals or conference proceedings, either domestically or internationally.

- *The paper must include:*

- + Title (in the author's native language and English).
- + Abstract (100- 150 words in native language and English).

- + Keywords (5 – 10 words in native language and English).
- + Full text (approximately 3,000 to 5,000 words).
- *References*: citation of up to 15 works.
- *Author's information*: full names, titles, university degree, institution affiliation, mailing address, email address, and phone number should be included.

## 5.2. Submission process

The full paper (including: Abstract, Keywords, Full text) should be submitted in Word format to email: hoithaoquoctengonngu26@phenikaa-uni.edu.vn

Submission time: From the date of this announcement until the deadline.

## 6. Additional information:

- Accepted full papers will be selected for publication in the Conference Proceedings with an ISBN index.
- Participation fee: 700,000 VND.
- Presenters are responsible for their own travel and accommodation expenses during the conference.
- Authors of the accepted papers will receive notifying emails from the Organizing Committee.
